ABOUT US DOING **IT**

Since 1996, Silver Star Electronics LLC, have been providing seamlessly operating IT to business owners, procurement managers and IT buyers throughout the UAE.

Our passion for providing the best value, advanced IT solutions, quality IT products and 24/7 service has not only **allowed our customers to concentrate on what they do best, but has helped their**

businesses, whether start-up or multinational, go from strength to strength.

By assisting our customers' growth, we too have grown over the past 24 years. With a reputation as the most reliable IT products & solutions procurement in the MENA region, we've become one of the leaders in the IT industry.

With our dedicated sales and support team offering a full range of IT services and solutions, our customers never have to worry.

- IT Supply for Global Multinational Companies
- Corporate SMB, Enterprise IT support & services
- Instant deliveries & quick responses to quotes
- 24/7 customer support
- 24/7 remote & online IT support

PRODUCTS THAT DO **IT**

Our customers' growth is further aided by our being a leading one-stop-shop for all your IT needs, which also covers electronics resale for all major global brands, including HPE, HP, Dell, Lenovo, Cisco, Microsoft Software Licenses, Microsoft Surface, Apple, Adobe, Poly, Logitech, VMWare, Samsung, LG and many others.

We also carry authorised partnerships with HP, Lenovo, HPE, Adobe, Microsoft, Dell, Cisco, Logitech, Sketchup, Poly, Sophos, FortiGate and ESET.

In addition, our team of certified IT engineers and consultants are experienced in working with a vast array of industries. We are open to business no matter how big or small, whether in retail, manufacturing, construction, medical, legal, education and many others.

SSE ARE EXPERTS when it comes to product knowledge and we will consult with you to find the right product configuration for your business **WITHIN YOUR STIPULATED BUDGET**. Once we have found the right solution for your needs, our team will quickly source and supply the products required and then integrate them into your network.

Our quality brands and their extensive product lines listed here below, represent some of the IT industry's biggest hardware and software providers, enabling us to supply you with end to end procurement solutions.
